

LQ-2190

DATASHEET / BROCHURE

When you need to deal with high volume data processing this 24-pin 136 column printer does the job quickly and efficiently.

Fast, reliable and economical, the Epson LQ-2190 is a fast, flexible and reliable printing solution that achieves a perfect balance between large print volumes and first-class quality. Cost effective and dependable, this is ideal for producing invoices, delivery notes, inventory listings and labels.

"Reliability and speed. This 24-pin wide carriage printer takes care of big print jobs without a fuss. You can rely on high quality results on a wide range of paper types while the impressive 576 cps (at 12 cpi) print speed is perfect for large volume tasks. This robust device is very dependable and has a print head life of 400 million strokes per wire, plus a meant time between failure of 20,000 power-on hours.

Flexibility. Choice of front, top, bottom and rear paper paths gives you even more control over desk space management. And the addition of a USB interface means more flexibility in connectivity.

Longer ribbon life. With a ribbon life of around 15 million characters, the ribbon replacement cycles are longer, which brings down running costs and maintenance time."

KEY FEATURES

- Fast, reliable printing
Enjoy 24-pin quality up to A3 size and 576 cps
- Multi-part flexibility
Print up to 6-part forms (1 original + 5 copies)
- Paper handling
Choose from front, top, bottom, rear paper paths
- Print Speed Enhancer
For faster printing of bit images under Windows environment
- Easy connectivity
Parallel and USB interfaces as standard

PRODUCT SPECIFICATIONS

TECHNOLOGY

Number of Pins	24 pins
Number of columns	136 columns

PRINT
